

Daniel Maidman 4 Day Life Drawing Workshop

September 26-29, 2025

Course Description:

This is a life drawing workshop Daniel Maidman will provide demonstrations of his approaches to the 1-minute, 5-minute, and 40-plus-minute pose. This will include his best-known idiom of highly rendered figurative drawing on toned paper, as well as his use of fluid lines on white paper to draw very short poses.

Students attending the workshop will practice using the general principles and tools Maidman is demonstrating. There will be individual critique and instruction. On the final day of the workshop, short poses will be interspersed with longer poses. During this time students will be encouraged to apply the principles discussed to their own chosen media. Final rounds of critique and instruction will be focused on helping students develop along their unique creative paths, aided by the technical tools imparted by the workshop.
